

Loddon Murray Community Leadership Program 2022

Developing inspired and capable leaders, who can influence change and drive self determined rural and regional communities.

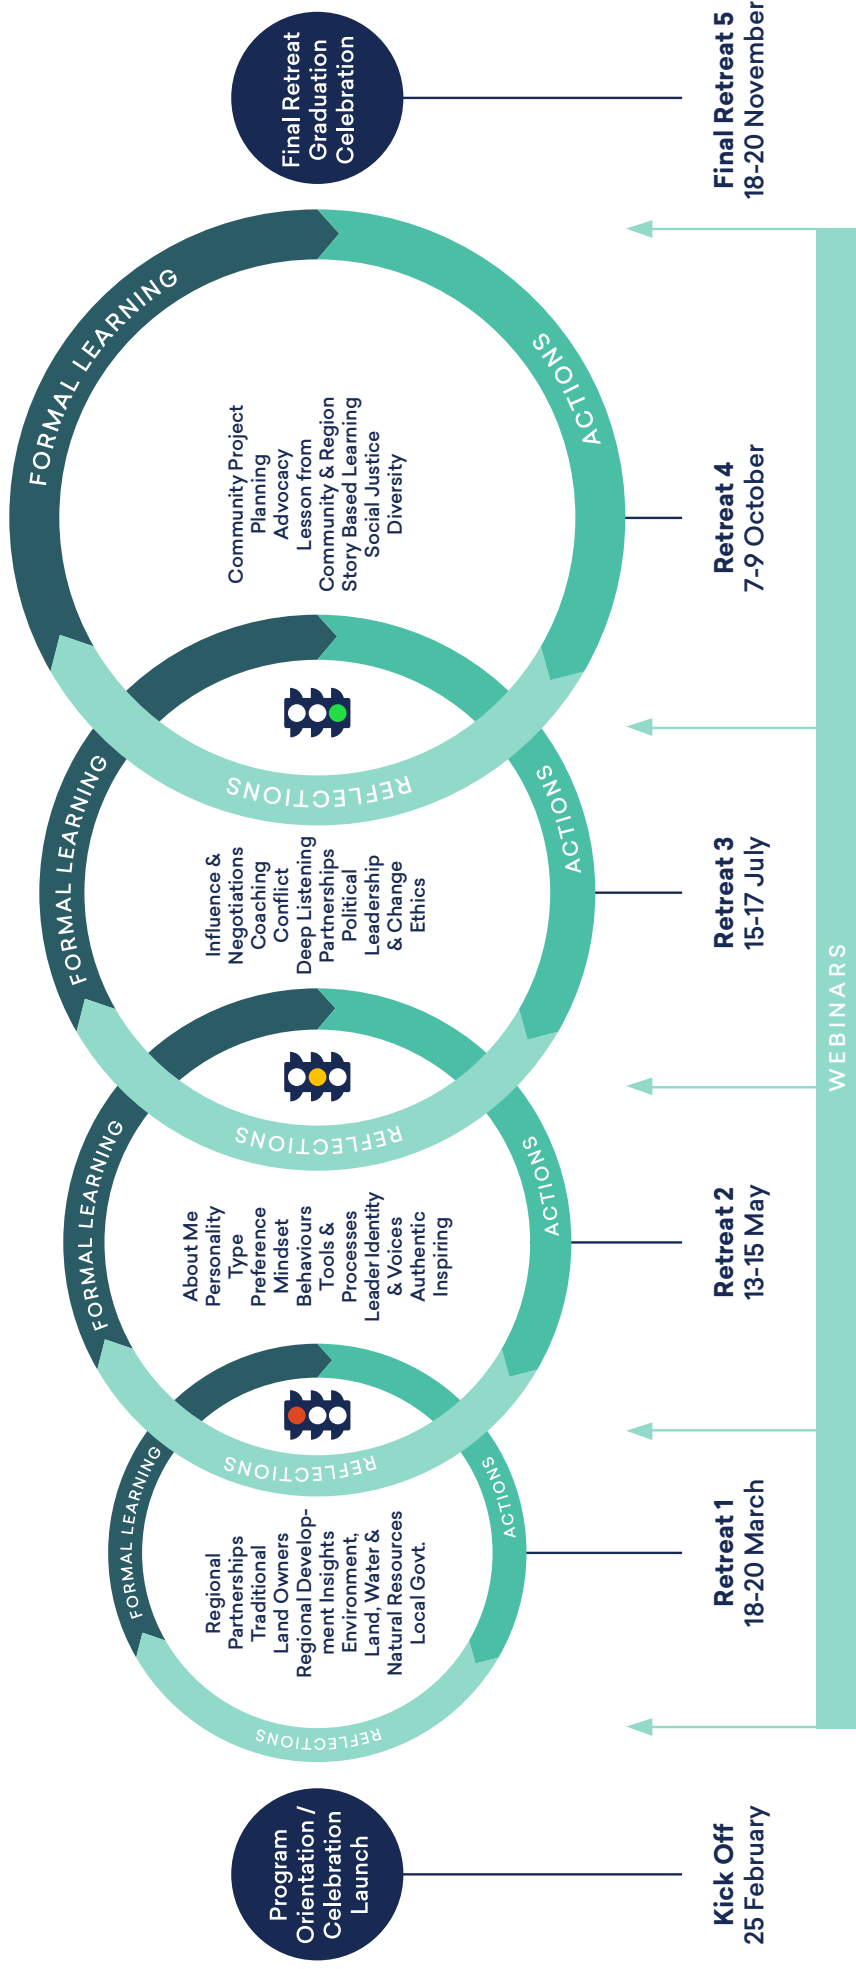

“What an honour it was to be amongst some truly incredible emerging and current leaders. I loved the range of experiences we had and the exploration of the wonderful communities in the Loddon Murray Regions. I was exposed to amazing people with incredible stories to share - allowing us as participants to see the world from so many perspectives. It was a journey of learning that I will never forget”

Elaine Hamilton 2014, Echuca

Program Overview

Formal & Action Learning

Participant Evaluation
 Red/Amber: Extra track needed.
 Green: Good comprehension on topic.
